***BAREFOOT RESORT'S FOUR CHAMPIONSHIP GOLF COURSES***  
***- Resort Features Dye, Fazio, Love and Norman Signature Designs -***

**NORTH MYRTLE BEACH, SC** --- When people think of Myrtle Beach, two things come to mind: beach and golf. At Barefoot Resort & Golf, guests receive the best of both worlds.

Not only does Barefoot offer convenient access to miles of the Atlantic Coast's most pristine shoreline, its trademark is the Resort's selection of four on-site championship golf courses. Each offers distinctly different personalities reflecting the visions of the best golf course architects in the business – Pete Dye, Tom Fazio, Davis Love III and Greg Norman. All four championship courses includes the signature features each designer is known for, from Dye's infamous pitfalls for wayward shots to Fazio's exceptional greens and natural elevation changes. The Norman Course is highlighted by seven stunning holes located along the Atlantic Intracoastal Waterway, while the Love Course has garnered national praise for capturing the essence of its low country Coastal Carolina landscape.

Though unique in every on-course aspect, the Fazio, Love and Norman courses share a spacious, full-service and conveniently located clubhouse with all the amenities associated with championship golf, as well as an adjacent driving range and practice green. The semi-private, 7,343-yard Dye Course features its own elegantly appointed clubhouse, the Golf Digest Instruction School and a full range of practice facilities. Both clubhouses include pro shops offering the finest equipment and merchandise, full-service restaurants and bars, comfortable lounges, locker rooms, cart barns and magnificent verandas wrapping the buildings.

An additional Barefoot Resort service is its "Golf Desk," featuring golf packages and greens fee savings at all 100-plus Coastal Carolina courses. Golfers can save a considerable amount of money and arrange their tee times in advance using this valuable Barefoot Resort & Golf amenity.
